Reflections on Blue Water Alan Ross, 2012-11-29 This valedictory volume is the quintessence of Alan Ross a deft and deceptively airy set of literary wanderings through a part of the Mediterranean the islands of the south western coast of Italy he had known since being demobilised from the Royal Navy at the end of the Second World War Ross s memoir is a showcase for a supremely poetic sensibility and a naturally gifted writer with an unerring eye for detail reporting on his experience with an infectiously joyous lyricism Eldon King Observer A fund of associative literary information that could only have been amassed by a passionate reader Gorky Ibsen Rilke DH Lawrence Walter Benjamin Pablo Neruda and scores more wrote in or near Ischia Ross describes their books and their lives with detailed succinctness en route dipping in and out of his own thoughts and travel observations Helen Simpson Guardian
